This is exactly what we are looking for. We don't want to change a word.
I'll do whatever it takes to make this movie.

-Ellen De Generes

The Synopsis and Script are timely and intriguing.
Do not stop until you find the money to make this important film.

-George Clooney

Now this script is something actors can sink their teeth into.

-Rosanna Arquette

Wow! You've got to be kidding me. I can't believe this is your first screenplay.
The way you work reminds me of Hitch.

-Tippi Hedren

So intelligent...

-Karen Black

Beautiful. This can be a breakthrough movie.
You're going to change people's lives and the world. You have to make this film.

-Goldie Hawn

This is a really well written script.

-Sam Shepard
